

P7-C Class 4

REE is an automotive technology company helping the world's leading fleet companies fast-track the transition to electric. EVs Powered by REE™ offer a low total cost of ownership, easy serviceability, and impressive interior space in a small footprint.

SPECIFICATIONS¹

| | | | |
|---|--|---|---|
| GVW | 16,000 lbs | Peak | 536 hp |
| Payload ² (excluding box) | 7,000 lbs | Power | 4 x independent by-wire Regenerative brake per wheel |
| Bed Length ³ | 18 ft | Braking Steering | 4 x independent by-wire |
| Target Range ⁴ | 150 miles | Turning Diameter (curb-curb) | 39 ft. |
| Charging Options | Fast Charge 100 kW | Vehicle ABS (Anti-lock Braking System) Systems | |
| Top | Slow charge 22 kW | ESC (Electronic Stability Control) | |
| Speed X- by-wire | 75 mph All-Wheel- Drive All-Wheel-Brake All-Wheel-Steer | EBD (Electronic Brakeforce Distribution) | |
| | | EPB (Electronic Parking Brake) | |

¹) Vehicle specifications are based on pre-production model and are subject to change. All data is approximate. Consult dealer and manual for details on final production model.
²) Payload target based on pre-production model. Production model may vary and is subject to manufacturing tolerances.
³) Suitable for 14 ft. or 16 ft. box. Other body types and sizes are possible. Please consult REE and body builder to check specifications.
⁴) Estimate based on a full charge and subject to change prior to production. Estimated range based on analytical simulations using typical urban drive cycle. Actual range may vary based on several factors, including temperature, terrain, battery age, loading, and how you use and maintain your vehicle. Pre-production P7-C images shown on this page. Production model may vary.

P7-C UPFIT OPTIONS¹

BOX TRUCK (16 FT)

| | | | |
|-----------------|---------|--|-----------------------|
| External Length | 192 in. | External Height | 98 in. |
| Internal Length | 184 in. | Internal Height | 96 in. |
| External Width | 96 in. | Wheelbase Arch Position | 134 in. |
| Internal Width | 94 in. | Nominal Load Box Capacity ² | 1000 ft. ³ |

REFRIGERATED TRUCK (16 FT)

| | | | |
|-----------------|---------|--|-----------------------|
| External Length | 192 in. | External Height | 98 in. |
| Internal Length | 184 in. | Internal Height | 96 in. |
| External Width | 96 in. | Wheelbase Arch Position | 134 in. |
| Internal Width | 94 in. | Nominal Load Box Capacity ² | 1000 ft. ³ |

LANDSCAPE TRUCK

| | | | |
|-----------------|---------|------------------------------------|----------------------|
| External Length | 192 in. | Nominal Load Box Area ² | 128 ft. ² |
| External Width | 96 in. | | |
